Lightbox Learning Classroom Solutions

Our Lightbox Learning Classroom Solutions include reliable, trustworthy information and activities that stimulate the imagination and improve outcomes.

Access more than 1,200 ready-to-use, curriculum-based titles to create custom blended learning solutions that motivate students and address multiple learning styles. Subject areas include social studies, science, language arts, math, and sports.

Every title has standard digital features such as videos, weblinks, activities, slideshows, key words, and quizzes.

All titles are aligned to curriculum standards.

Explore
- Browse through more than 1,200 interactive titles and tens of thousands of pages of digital content
- Access curriculum correlations for every title

Create
- Tailor lessons to students’ skills and abilities
- Appeal to many learning styles, such as visual, auditory, and kinesthetic learning preferences
- Accommodate all literacy levels with Fountas and Pinnell, Lexile, and Accelerated Reader leveling

Share
- Complete assessments and activities online or print them out for classroom use
- Send assignments to students using your learning management systems
- Present content to your class

Lightbox Learning Classroom Solutions work with your existing technologies.

These are just a few examples of systems we currently integrate with:
- Clever
- schoology
- Canvas
- Blackboard

Explore

• Tailor lessons to students’ skills and abilities

**Lightbox K–5 Spanish Subscription**

All the amazing features of our AV2, EyeDiscover, and Lightbox titles are now available in Spanish!

Each Spanish title is an engaging combination of text and curated digital resources. These may include weblinks, videos, audio, activities, slideshows, and quizzes. This provides Spanish native speakers and Spanish learners with a captivating learning experience.

**Key Features**

- **Contents**: An interactive table of contents allows readers to easily access their desired spread.

- **Resources**: By using the digital resources toolbar, readers can quickly find their desired resources in each title.

- **Videos**: Embedded high-definition video clips encourage listening skills and engage audio/visual learners.

- **Slideshows**: Pairing visual information with succinct text, slideshows encourage users to compare and contrast differing concepts.

- **Test Your Knowledge**: Quizzes and key word activities can be completed online or printed out for classroom use.
