The AR Collection includes more than 500 Lightbox, AV2, and EyeDiscover eBooks with available AR quizzes. This amazing collection of fiction and nonfiction titles covers a broad selection of topics at different reading levels, with ATOS scores that range from 1.0 to 7.0. Users can search for books that fall within specific ATOS reading levels.

Fiction titles feature high-quality audio readalongs narrated by professional actors. Nonfiction eBooks include a combination of text and curated digital features such as weblinks, videos, activities, slideshows, and quizzes. New fiction and nonfiction titles are added throughout the year, providing young readers with an exciting and well-supported reading experience.
