

Dear Parents/Guardians,

This summer, we are providing Lightbox Learning to your children for their summer reading adventures. Patrons will have access to a fantastic digital collection of both fiction and nonfiction titles. Our enhanced digital books can be accessed at the library, at home, or anywhere in the community where you have internet access. With Lightbox Learning books, your child has UNLIMITED virtual access to:

- Digital titles in 18 languages (K–2 World Languages)
- Virtual field trips through live videos
- Audio support
- Interactive activities and maps
- Quizzes

Families are encouraged to spend time reading together this summer to help children achieve their reading goals. Get started with your summer reading adventure using the links below!
