LIGHTBOX™

is learning in a whole new light

What is it?

Lightbox is the amazing PreK-12 interactive eBook platform that brings learning to life. Easily fill curriculum gaps in language arts, history and science in this multimedia space. Use text, audio and video to explore content aligned with national and state standards. All English titles include one print book and one eBook.

What makes it different?

Lightbox provides a unique, student-centered learning experience to improve comprehension, vocabulary and engagement – all within the same interface. You can use it on any device and reinforce material learned through slideshows, quizzes and key words. Plus, students and teachers love it!

VIDEOS

Embedded high-definition video clips

AUDIO

High-quality narration using text-to-speech

WEBLINKS

Curated links to external, child-safe resources

ACTIVITIES

Printable PDFs that can be emailed and graded

SLIDESHOWS

Picture overviews of key concepts

QUIZZES

Exercises that are graded and emailed to teachers

KEY WORDS

Key concepts matched to their definitions

FEATURED COLLECTIONS

Additional curated teacher and student tools

GOOGLE MAPS

Interactive maps and aerial satellite imagery

Try the Lightbox demo at
titlewave.com/go/lightbox.

Follett's team of experienced educators identified these series as appropriate for IB educators and students. They support units of inquiry and can help supplement an educator's scope and sequence.

Habitats

The *Habitats* series has been developed for students in Grades K-2. Each title explores the different plants, animals and climates that make each habitat unique. This series also helps readers understand why it is important to protect nature's habitats.
